## ANNOUNCEMENT

The loss by fire of the main cattle barn at Meadow Brook Farms at Gladwin, Iowa, has made it almost an impossibility to maintain a herd at that place. There is not even an opportunity to put these cattle into proper sale condition. The buyer therefore, will have the advantage of seeing and buying them in the rough.

In another six or eight weeks grass will be here and most of the cows in the herd have been bred to calve on grass. We wish to call especial attention to the ages as well as to the pedigrees of the cattle listed in this catalog. Meadow Brook Herd is a herd of young virile cows in the best of health and breeding condition. They are just such cows as we would buy were we in the market to buy. The herd bull, Choice Rodney, is developing into an even better individual than when we bought him. He was not listed for sale but as a stock bull in Joseph Miller's Sons' sale catalog last year. We persuaded them to part with him and we are pleased with him and know that his future owner will find him a profitable investment at whatever price he makes in our sale.

We invite all breeders and feeders of Shorthorns to our sale at the farm Saturday, March 10, 1928. We know that these cattle will suit discriminating cattlemen. You will fix the price.

W. C. FREVERT, Mgr.,

Meadow Brook Farms.

## GUARANTEE

The entire herd has been tested, recently, for tuberculosis. They are sold guaranteed free from tuberculosis or any other contagious disease. Also they are guaranteed to pass a sixty-day retest if kept segregated from other cattle not accredited.

**TERMS**—Cash. Animals at owner's risk when sold. All stock will be loaded on cars free of charge at Gladwin.

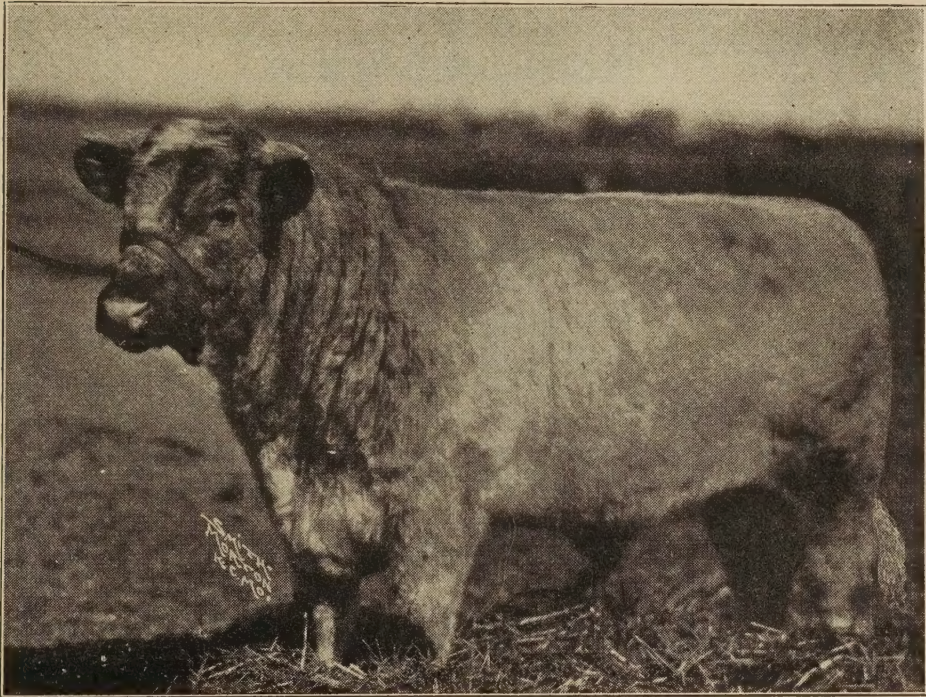

Bids may be sent to the manager, the auctioneer or to representatives of the Southern World or the Iowa Homestead.

**LOCATION**—Meadow Brook Farms adjoin the village of Gladwin, Iowa. Gladwin is a station on the Milwaukee Railway forty-nine miles west of Davenport. It is seven miles from Columbus Junction, Iowa, on the Rock Island Railway. Trains on the Rock Island will be met on the morning of the sale at Columbus Junction.
